

ACTION PLAN – LLC

Goal: To ensure coverage and progression within the Expressive Arts AoLE

Rationale: We are five years into our Meadowlane Curriculum. We need to ensure there is good coverage of the curriculum for all children and that children are making good progress with their knowledge, understanding and skills.

Success Criteria:

1. PowerPoints to be implemented across PS2 and PS3 phase to ensure full coverage of sentence patterns using incidental Welsh.
2. Staff implement, develop and incorporate Welsh across the AOLE's and in continuous provision
3. Most children will be using sentence mats to promote their LLC Skills.
4. Most PS1 children will be encouraged to use the Monster Phonic font when ready to form letters correctly.
